

Please join us in celebrating our 10th year of the Giving Tree!

Honor your child's birthday

This is a wonderful program to help our library collection grow and also to celebrate your child's birthday. The children really do enjoy seeing the book(s) they have chosen that bear a special bookplate with their name. In addition, your child's picture will be taken and posted outside the library. Your contribution will be noted in "E-News".

A group of pre-selected books that are especially needed in the collection is available for your child to choose from. Each book cost \$15.00.

You are also welcome to donate books to celebrate a special occasion, event, a loved ones birthday, or in memory of someone.

Please fill out the form below and return it to the Collegiate Library Media Center with your check made payable to Louisville Collegiate School. Thanks very much for your support.

(Please cut and return bottom portion.)
