

Pirate Drama with the Frazier International History Museum-Day Camp

June 14-18, Grades K-3, 9:00 a.m.-3:30 p.m., \$250

Hoist the Jolly Roger and set sail at the Frazier International History Museum. The museum's team of Historical Interpreters, who are all professional actors, will lead our popular drama-themed camp again this summer, but with a pirate twist! While at the museum, you'll learn basic research skills, the art of storytelling and the fundamentals of dramatic performance. To spark your pirate-y creativity, we'll make daily journeys to the museum's summer exhibit, *Pirates: Treasure & Treachery*.

Digital Photography

June 14-18, Grades 4-6, 9:00a.m.-12:00 p.m., \$275

Learn how to progress from taking snapshots to making professional photographs from Susan Harrison, Collegiate's photography instructor! Gain a working understanding of basic automatic and manual camera functions, creative use of light, and exposure adjustment. This class has lots of hands-on time taking pictures, as well as computer time for editing. Each student must bring a digital camera. All other supplies are included.

NEW! Printmaking

June 14-18, Grades 4-6, 12:30 p.m.-3:30 p.m., \$250

Children who love to draw and paint and are looking for something new to spark their creativity this summer—look no further. This camp will extend the child's awareness of line color and shape through projects in block printing, stenciling and monoprints and other techniques.

NEW! Paint like the Masters

June 21-25, Grades 2-5, 12:30 p.m.-3:30 p.m., \$185

Cancel your trip to Paris and New York! No need to go out of town to see famous art. Each child becomes a famous artist in this class! Each day campers will study an artist,

learn their unique style, create their own paintings and compare it to the original. Their art will be showcased in an art show on Friday, June 25.

NEW! Recycled Art

June 28-July 2, Grades 1-5, 9:00 a.m.-12:00 p.m., \$165

Go "green" with Way Cool School. Campers will turn trash into treasure when they adventure into this great art camp. Creativity will expand as they use bottles, milk jugs, egg cartons and other reusable material to make exciting creations!

Builders' Bonanza

July 12-16, Grades K-2, 12:30 p.m.-3:30 p.m., \$175

Bring a hammer for this fun and exciting week of building. Use Legos, design and create a puzzle, fold origami animals, create paper airplanes and fly them, and construct your own backyard bird feeder. Each day will be filled with fun "make and take" projects that any young engineer would enjoy.

Making Stuff

July 12-16, Grades 2-5, 12:30 p.m.-3:30 p.m., \$165

Hands and minds will be busy creating 3-dimensional projects, like yard art, wall hangings, games and pillows during this camp. Use your rousing imagination, spatial reasoning and tactile skill to reinvent objects from simple everyday products.

Intersecting Art and Science

July 26-30, Grades K-3, 12:30 p.m.-3:30 p.m., \$165

In this camp, inspired by the book *ScienceArts* written by Mary Ann Kohl and Jean Potter, campers discover how science and art are interrelated. Through fun and beautiful projects, such as wet and dry painting, invisible design, and flashlight reflections, campers will learn basic science concepts by using art materials. The week will spark the mind of both the young scientist and the budding artist.

Private Piano Lessons

(To be scheduled at your convenience) \$210

Carolyn Hensley, piano instructor of Collegiate students, offers 6 weeks of summer lessons; one 30-minute private lesson per week.
